Date: 05/10/2020

Research & Development Policy (R&D)

Creative thinking and scientific research is necessary requirement for creating successful engineers and quality education system. The objective of research & development (R&D) initiatives undertaken by Shri Balasaheb Mane Shikshan Prasarak Mandal Ambap's, Ashokrao Ashokrao Mane Group of Institutions, (AMGOI) Vathar Tarf Vadgaon is to support and strengthen the creative education culture, to promote the creation of next applications, and to build research and entrepreneurship oriented careers. All education, research and innovation efforts are aimed to achieve the high standard education system in this campus. The goal of creating technological and social innovations is the basis of all R&D based activities. To achieve the high quality research ambience, the following policies has been undertaken. The research and development cell has been established that will prepare and implement the system for advance of research and development activities within the Institute.

As per resolution passed in R&D committee meeting held on 2 December 2020, it is resolved that the R&D rules and policies are as follows.

Proposed Research and Development Policy for Faculty and Students
