Dear Prof. Dr. Bhagwan,

It is a great honour for me to connect with you on email.

I take this opportunity to introduce myself, I'm Upendra Rai, Project Director at Millionminds - An Evolving Startup Platform for innovative students

I'm extremely delighted to express my gratitude towards having a collaboration of "Ashok Rao Mane Group Of Institutions" with Millionminds - on its Free Entrepreneurship Program.

Also, I would like to mention that this collaboration will boost your Industry-Institute Interface program and will surely strengthen Entrepreneurship Development Cell initiatives at your campus in complete sense.

I would like to take this opportunity to put some lights on services which Millionminds Team will be rendering to your Institute and students under this fruitful collaboration:

1. **Start-up Talk Session** - Millionminds will be conducting 1-2 sessions of Startup Talks by inviting real life Startup founders to share their journey with your students and guiding them on how to go about creating your own venture. Millionminds have already conducted 100+ Startup talks across 75+ cities in a very short span of time. This academic year, we already have 150+ Startup Talks committed.
2. **Webinar Session**: Millionminds will also arrange webinar sessions with key Startup Founders in case the Startup founders are not available in the region or geographical accessibility is not possible for them.
3. **Axiom: An Online Startup Course** - A Fully Structured Startup Video Courses: Students to get access to around 50+ hours of Startup Video Course material classified into Basic, Mid-Level and Expert level of entrepreneurial knowledge. Axiom Startup knowledge is curated video contents across 7 Modules divided into 32 Chapters covering 220+ Topics from 20+ Industry verticals. Students will get knowledge across various industry vertical that too from real life entrepreneurs who are able to scale their Startup business from Idea to Execution. Axiom is Inspiration cum knowledge oriented program.
4. **Startup Experiential Program for Your Students**: Millionminds will offer Startup Experiential learning opportunity

Dear Sir,

Thank you very much for awareness program and pre placement talk conducted to our final year students.

Dr. S V Thakare &

Dr. S K Singh

Sr. Scientific officers visited to our institute on 10th January 2018 and interacted with our final year degree students (pre lunch session), final year polytechnic students (post lunch session) in two different slots. thank you for their contributions.

Both the officials interacted with of head of department and senior faculty members after two sessions of students.

the interaction between faculty and officers were held in presence of Dr. D N Mudgal, Executive Director, AMGOI, Vathar

The total objective of their visit was served. our students and faculty members are very much thankful to them and BARC management.

In future we will continue our contributions for programs like public awareness.

Subject – Regarding Soft Skills Training to final year students (Global talent Track, Pune)

Respected Sir,

Global talent Track, Pune in association with NASSCOM, has sanctioned Two days soft skills training workshop for final year students. This workshop is sponsored by Barclays. The details of trainings are attached herewith. Kindly permit us to conduct the same. Training is scheduled from 6th August 2018 to 10 August 2018. Detail schedule is attached herewith.

Two Trainers from Pune will visit to our institute to conduct training sessions. Final year's students are divided in to four batches. Two trainers will make two batches of third year Polytechnic students and conduct one day workshop on 10th August 2018.

There are no charges of training it is free of cost only we have to make accommodation and food arrangements of trainers.

Thanking You

Dear Sir,

University Entry Scheme-2019 campaign for induction of Engineering students in the Navy has commenced. Accordingly, an introductory letter on University Entry Scheme - 2019 is attached for dissemination amongst the students from final year passing out in 2019. Though we wanted to conduct Awareness Talks at all colleges for the benefits of aspiring students, but this will not be feasible due to paucity of time, therefore, would be grateful for displaying this letter at various departments of your college for information of maximum students.

Dear Sir,

Greetings !!!

Thank you for your mail.
Herewith we request you to arrange a seminar to make awareness about Opportunities in Indian Navy.
We will call near by colleges to participate in this seminar. Location of our institute has central place in Kolhapur Sangli districts (besides National Highway 04).
we will arrange it very successfully. Now holidays are going on students will resume back in the month of July.

Kindly request to reserve a day to do seminar for NAVY Aspirants, we will make arrangements of it in our college.

Respected sir,
We GEMS Educational Services, Kolhapur asking for your permission to allow us to conduct a seminar
with the given theme: 'Study Abroad Education' to be facilitated to all of your students.
Earning an international degree is not only about expanding student's career and personal horizon but
also having an experience of a lifetime.
It would be a great honour for us to invite you and all the teachers and students to the seminar.
Hoping for your favourable response about the matter.

Thanking you,
GEMS Educational Services,
Kolhapur.

Report of Webinar – Campus Placement Preparation

With the constant encouragement and guidance of our respected I/C Director Prof. P. B. Ghewari sir as well as with the support of HOD, CSE Department Prof. P. A. Chougule sir we are able to conduct this webinar. A Webinar is conducted in order to build a strong foundation of professional and technical carrier of students.

Department of Computer Science and Engineering hosts this webinar according to following schedule.

Day: Saturday, Date: 29/5/2021, Time: 10.30 to 12.00 noon

Topic: Campus Placement Preparation

Resource Person: Mr. Vinayak R. Waghmode.

About the resource person:

Mr. Vinayak R. Waghmode is a computer engineer. He completed his graduation from the Tontdarya College of Engineering, Gadag and Post graduation from Visvesvaraya Technological University (VTU), Belgaum. After completion of his post graduation, he joined AMGOI and worked for 7 years as an assistant professor in the CSE department. In 2018 he successfully cleared the CDAC examination in his first attempt and completed the course in six months. Currently he is working as Technical specialist in Shipco IT Pvt. Ltd. Pune from last 3 years.

Content covered by the resource person:

During this webinar he shared the importance of campus placement. The process / rounds involved during campus interviews. Also, he covers the importance of aptitude and how to prepare for an aptitude test. He delivers the importance of technical knowledge during the interview process and gives guidelines about the same. He motivated the students by asking to participate in technical and coding competitions. He also asks to improve the communication and presentations skills by participating in Group discussion events. At the end of webinar he clears the participant's doubts during question answer session.

Report of Add on Course in C Programming

With the constant encouragement and guidance of our respected I/C Director Prof. P. B. Ghewari sir as well as with the support of HOD, CSE Department Prof. P. A. Chougule sir we are able to conduct this add on course in C programming. The course is oriented to those who want to improve C programming skills. The major objective is to provide students with understanding of code organization and functional hierarchical decomposition with using complex data types.

Department of Computer Science and Engineering hosts this 10 days Add on Course between 23rd August to 3rd September 2021.

Resource Persons: Prof. P. A. Chougule, Prof. S. S. Redekar, Prof. P. S. Powar

Content covered by the resource persons:

Introduced to all major language elements including fundamental data types, flow control, and standard function libraries. Use of operators, branch statements, Create and use variables by understanding their scope of existence, Implement data structures including arrays, stacks, queues, linked list. The special track is organized as a series of lectures, hands-on workshops and exercises using C programming languages and focusing on discussing how to write a program of moderate complexity by using C language.

Course Description:

- **Target Audience:** Second year students of the Department of Computer Science & Engineering.
- **Course Period:** 2 Weeks
- **Total Class Hours:** 30 hours.
- **Platform:** Google meet.

Objective of the course:

The course is oriented to those who want to improve C programming skills. The major objective is to provide students with understanding of code organization and functional hierarchical decomposition with using complex data types.

Learning Outcomes:

After course completion the students will have the following learning outcomes:

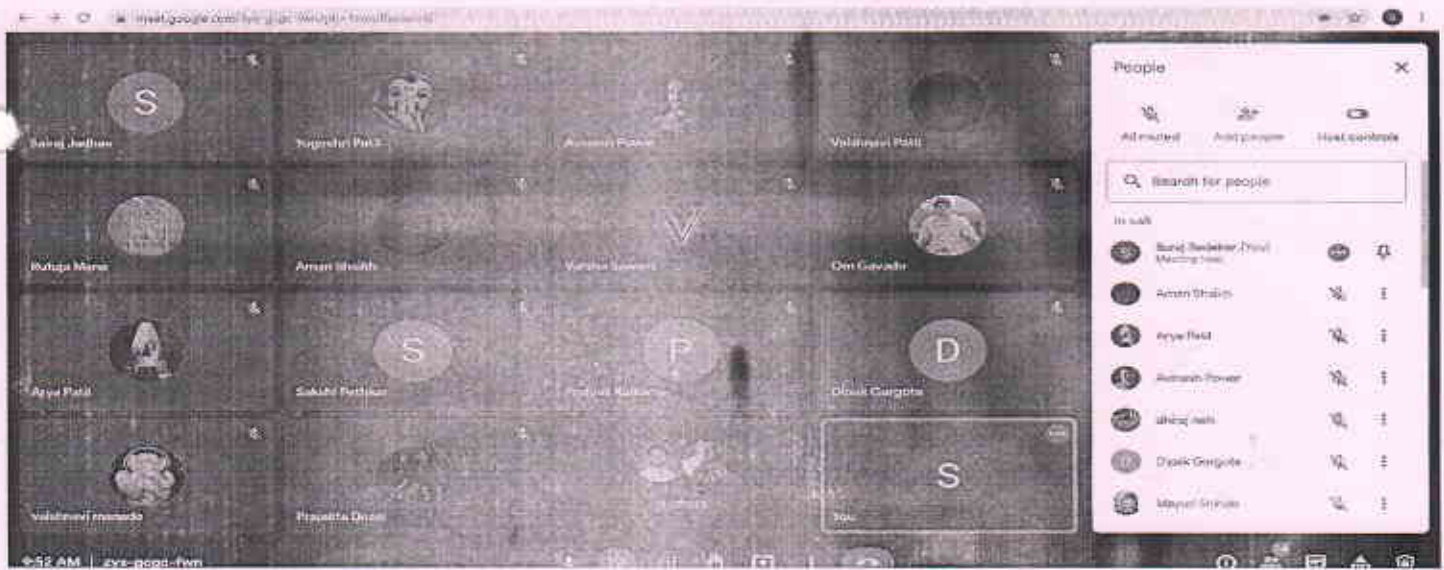

- Understanding a functional hierarchical code organization.
- Ability to define and manage data structures based on problem subject domain.
- Understand the special features of C including pointers, structures, pre-processor directives, and storage classes.
- Understanding a defensive programming concept.
- Ability to handle possible errors during program execution.

Sub: - Invitation for 'Guest Lecture'

Respected Ma'am,

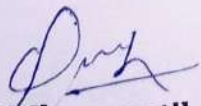

Season's Greetings from AMGOI, Vathar!!!

Ashokrao Mane Group of Institutions (Integrated Campus) was started to promote Technical Education and Management studies in Western part of Maharashtra State. The Integrated Campus is situated very close to Kolhapur beside the Poona- Bangalore National Highway (NH 4), near Vathar Turf Vadgaon, Dist. Kolhapur, which is very well connected by all modes of transport. The Integrated Campus is spread over an area of 20 acres in a serene and refreshing atmosphere surrounded by greenery. The Integrated Campus comprises of Faculty of Engineering, Faculty of Management and Polytechnic with highly qualified faculty and state-of-the-art laboratories. Our institute is ISO 2001-2008 certified and accredited by NAAC 'A' grade with CGPA 3.08 and NBA accredited programs.

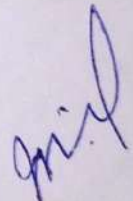

On behalf of our institute, we are very pleased to invite you for delivering information on "Job Opportunities in IT sector to Civil Engineers" on 27th Dec 2021 at 11.00am.

We look forward to your positive confirmation of our invitation.
Thank you.
