Guest Lecture on "Electronics Waste Awareness Programme" By Mr.Pramod Chougule, I/C Principal, S D Patil College of Architecture.

ASHOKRAO MANE GROUP

Date: 30th March 2021

Venue: GL-08 Civil Department

Guest Speaker: Mr. Pramod chougule

Audience:54 Students

Introduction: The E-Waste Awareness Guest Lecture was organized on 30th March 2021 at GL-08 Civil Department as part of our ongoing efforts to educate and raise awareness about the growing issue of electronic waste. The guest speaker for the event was Mr. Pramod Chougule, a renowned expert in the field of e-waste management.

Event Summary: The guest lecture commenced with a warm welcome to all attendees, Welcome speech was given by prof. J. M. Shinde and introduction of Resource person was given by Prof. G.N. Chavanpatil. Mr. Pramod Chougule began the lecture by providing an overview of the current state of e-waste and its environmental impact. The audience was engaged through interactive discussions and visual aids, which effectively conveyed the magnitude of the problem.

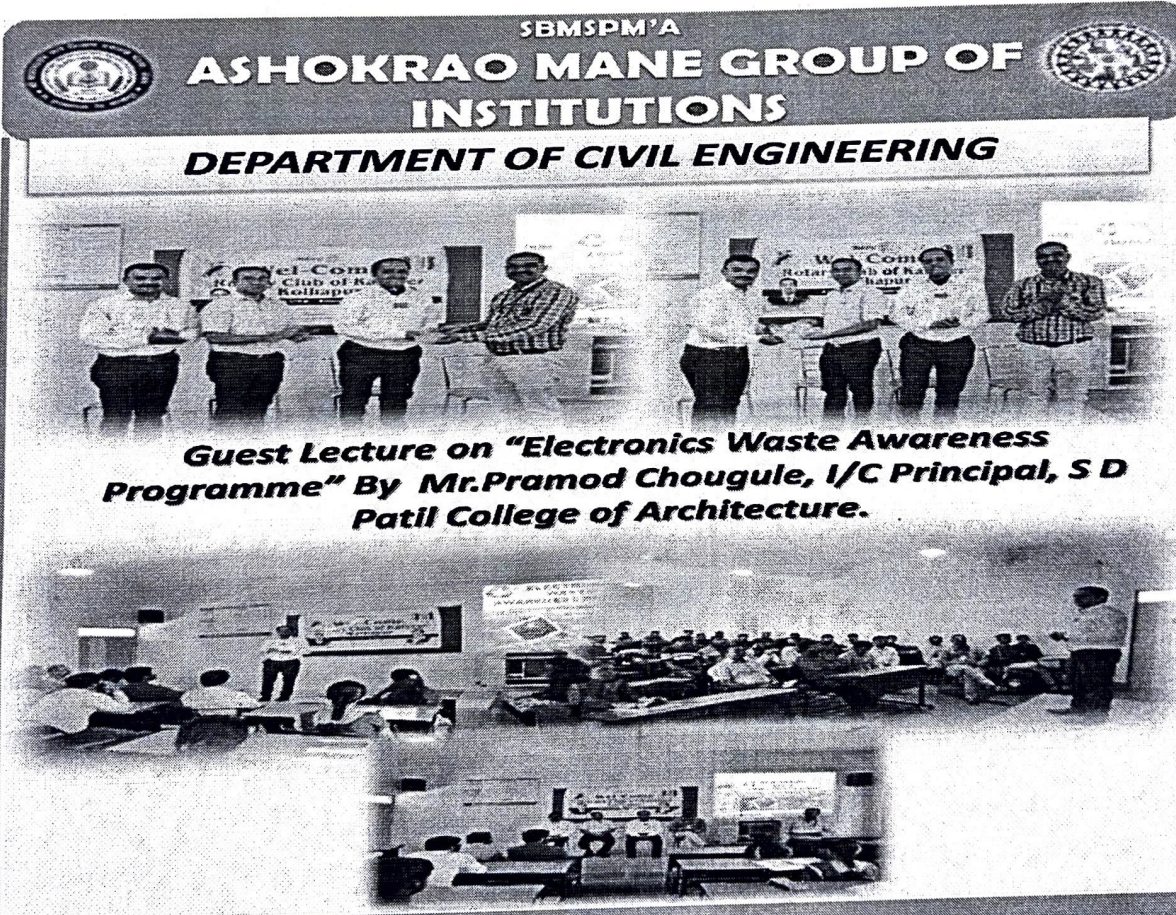

Key Points Discussed:

1. **Definition and types of e-waste:** The guest speaker emphasized the need to understand what constitutes e-waste and highlighted various categories, including discarded computers, mobile phones, televisions, and other electronic devices.
2. **Environmental hazards:** The lecture emphasized the adverse effects of improper e-waste disposal on the environment, including soil and water pollution, air contamination, and the release of hazardous substances such as lead, mercury, and cadmium.
3. **Global e-waste management:** The guest speaker discussed international initiatives and regulations aimed at managing e-waste, such as the Basel Convention and the e-Stewards certification program. The audience gained insights into the global challenges and potential solutions for responsible e-waste handling.
4. **Recycling and responsible disposal:** Practical methods of recycling and responsible disposal of e-waste were highlighted during the lecture. The audience learned about the importance of certified e-waste recycling facilities and the significance of encouraging sustainable practices among consumers.
5. **Individual actions:** The guest speaker emphasized the role of individuals in reducing e-waste by extending the lifespan of electronic devices, donating or selling them for reuse, and properly recycling them at authorized centers.

Q&A Session: Following the presentation, an interactive question-and-answer session took place, allowing attendees to seek clarifications and delve deeper into the topic. The guest speaker addressed various concerns raised by the audience, providing valuable insights and practical suggestions.

Conclusion: The E-Waste Awareness Guest Lecture served as an eye-opening event, effectively raising awareness among attendees about the significance of responsible e-waste management. The engaging presentation and informative discussions led by Mr. Pramod Chougule successfully conveyed the urgency of addressing this environmental challenge. We are confident that the knowledge gained from this event will inspire individuals to adopt sustainable practices in their daily lives.

Acknowledgements: We extend our heartfelt gratitude to Mr. Pramod Chougule for sharing their expertise and valuable insights. We also express our appreciation to the organizing committee, volunteers, and all attendees for their active participation, making the event a resounding success.
