**"Birthday of the Students.... Insistence on Tree Care"
Activity (वाढदिवस विद्यार्थ्यांचा...आग्रह वृक्षसंगोपनाचा)**

Due to the imbalance in the current environmental situation, we are facing numerous natural problems and emergencies. This has emphasized the need for environmental conservation. In line with this, the Ashokrao Mane Group of Institutions, through the joint efforts of the Social Club and Electronics and Telecommunication Students' Association (ETSA) has initiated a unique program called "Birthday of the Students.... Insistence on Tree Care" Activity ("वाढदिवस विद्यार्थ्यांचा...आग्रह वृक्षसंगोपनाचा") to instill the importance of environmental conservation and tree planting in the minds of students.

Under this initiative, every student in the Electronics and Telecommunication Department will receive a tree sapling as a birthday gift along with good wishes. It will be the responsibility of the students to plant and take care of the sapling in their home surroundings, promoting conservation and preservation.

This program will run throughout the year, from 1st May 2023, to 1st May 2024, with the active participation of students in the department. The information was provided by Prof. Digvijay Pawar, the head of the Social Club at the institute.
