4. Provide Minimum of 2 Mbps bandwidth on 2 systems to access the Internet.
5. Provide IP(s) of the systems on which the exam would be conducted.
6. Provide a Printer connected in LAN on 1 Exam PC per lab to take print outs of the scorecard for candidates in case of a requirement.
7. Arrange for a White board with marker pens.
8. Print and Display a poster outside the Institution and Computer lab mentioning about the exam(Data to be provided by AIPL)
9. Provide information at the Institute gate to guide the candidates to the examination hall.

Memorandum of Understanding (MOU)

10. Deploy personnel to verify the identity of each candidate based on the admit card/license/any other valid photo ID card to prevent impersonation at the time of verification.
11. Assign Test Administrators/Invigilators proportionate to the number of computers and logging into the system as Test Administrator using the username and password provided by AIPL and helping the candidate login using his username and password.(Refer to Annexure C)
12. Invigilate during the examination and ensure that candidates adhere to the examination rules, viz., takes measures to prevent candidates from using books/mobile phones/discussion with other candidates and any other means of malpractices.
13. In case of any Malpractice, the Institute shall have full power to debar the candidate from continuing the examination any further and fill up the relevant form to be provided by AIPL and get it signed from the candidate.
14. Maintain record on the day of the exam – attendance sheet, records of malpractices if any.
15. Handover all documents pertaining to the Exam to the Exam Controller deployed by the AIPL.
16. Block the entrance to the Lab/Examination Centre once the candidates have moved in. No other activity (viz. PCO, Internet surfing etc.) shall be allowed. None of the relatives/cousins/friends of the candidates should be allowed inside the examination lab/center.
17. Allow only authorized persons from AIPL and the client with valid ID cards inside the examination lab/center.
18. Not allow the browsing of the Internet, access to Messengers, *Netmeeting* application etc. to the candidates during examination.
19. Collect all the mobile phones and books from the candidates and lock it up in a shelf before the examination.
20. Prohibit the candidates from smoking during the examination.
21. Make available at least one Technical Person for every 150 systems to address issues regarding PC/LAN/Printouts etc.
22. Provide Power Backup in the form of UPS & Generator for each PC on the day of the examination.
23. Ensure that the same invigilators, who had attended the training and have been certified, do invigilation on the day of the examination.
24. Provide prior intimation to AIPL on scheduled power cuts (if any) during the examination.
25. If the invigilators appointed by the Institute come to see question(s) on the computer screen while invigilating, then the invigilators shall not discuss/share the question(s)/question papers with the candidates or any other person.

Memorandum of Understanding (MOU)

AIPL

1. AIPL shall host the online exam software application on a Server deployed at the Local Exam Centre and it will be under the possession of an authorized representative from AIPL.
2. AIPL shall share the schedule and list of candidates 15 days before the examination.
3. AIPL shall provide all necessary Software to be installed for the exam to the Exam center 15 days prior to the conduct of the exam
4. AIPL shall provide training for the invigilators
5. AIPL shall conduct a mock exam for the invigilators to get familiarize with the Online Examination system a day or two prior to exam date
6. AIPL shall also share the login credentials (TA Username, Password) on the day of the examination.
7. AIPL will setup a central help desk on the examination day to resolve/answer any queries and to seek for solutions for any problems faced during the examination.

3. TERM AND TERMINATION

This Agreement shall come into force on the Effective Date and shall be in force and effect for 3 years from the effective date, unless terminated earlier. Either Party may terminate this Agreement voluntarily by giving 60 days prior written notice to the Other Party.

4. Assignment

Neither Party hereto may assign or otherwise transfer its rights and obligations under this Agreement without the prior written consent of the other party.

5. INDEMNITY

The Institute agrees to fully defend, indemnify and hold AIPL and its officers, directors, employees and affiliates harmless from, and against, any and all costs, damages, expenses, liabilities, and other claims, including attorneys' fees and court costs (including costs of appeal), that arise as a result of the breach of any term of this MOU or any of the representations and warranties contained hereunder. This clause shall survive the termination of this MOU.

6. DISPUTE RESOLUTION

Any dispute and/or difference that may arise between the Parties hereto in regard to this Agreement and/or the arrangement there under, the carrying out of its terms and conditions and/or the interpretation thereof in any way whatsoever shall be referred to the conciliation of any authorized representative of the Parties and a solution shall be sought within 15 days of such referral. In the event of any resolution not being found despite conciliatory efforts, the dispute and/or difference shall be referred to a sole Arbitrator to be mutually appointed by the Parties. In the event of differences on appointment of a sole arbitrator, the Parties agree to appoint three arbitrators; one to be appointed by

Memorandum of Understanding (MOU)

the Institute and another to be appointed by AIPL. The two arbitrators shall appoint the third arbitrator who shall act as the governing arbitrator. The Arbitration proceedings shall be governed by the provisions of the Arbitration and Conciliation Act 1996 and its statutory modification in force for the time being. Language of arbitration shall be English. Place of Arbitration shall be Mumbai.

7. JURISDICTION

This Agreement shall be governed and interpreted by and construed in accordance with the laws of India and courts in Mumbai alone shall have jurisdiction over all matters arising out of or relating to this MOU.

8. ANTI-CORRUPTION:

Each party agrees that it shall comply fully with all applicable anti-corruption and anti-bribery laws, including but not limited to the India's Prevention of Corruption Act. Without limiting the generality of the foregoing obligation, each party agrees that it will not make, authorize, offer, or promise to make or give any money or any other thing of value, directly or indirectly, to any government official or employee, political party, or candidate or political office for the purpose of securing any improper or unfair advantage or obtaining or retaining business in connection with the activities contemplated hereunder. Any breach or violation of any provision contained in this Subsection by either party will be grounds for immediate termination of this Agreement by the other party

9. ENTIRE AGREEMENT

This document constitutes the entire agreement between the parties with respect to the subject matter hereof and supersede all other communications, whether written or oral. This agreement may be modified or amended only by writing signed by the party against whom enforcement is sought.

IN WITNESS THERE OF, the Parties here to have executed this MOU as of the day and year first herein above written.

Memorandum of Understanding (MOU)

AnnexureB: Compliance Checklist

a) Infrastructure

#	Description	Compliant [Y/N]
1	Each exam center facility i.e. Building must have at least 100 fully furnished seats along with <u>basic amenities</u> (as defined in next page)	Y
2	An exam center may have multiple exam halls but each of such halls should not have more than 200 seats	Y
2.1	The area of the examination halls should be such as to provide minimum 20 Sq. Ft. Space Per candidate appearing for the exam	Y
3	There should be proper partition between two adjoining seats distracting visibility of terminal screen of the candidate seating aside	Y
4	Exam center should be located within 15 kilo meters of the municipal boundaries of respective city	20km -from CBS.
5	Exam Centers should have covered space for setting of adequate number of Identity and document verification counters . For convenience of candidates and complete verification work in 30 minutes , one counter is required to serve 30 to 50 candidates. Thus, if an exam center has capacity of 500 seats, around 10 to 13 verification counters will be required to serve the candidates. Therefore, the exam center should have adequate covered to setup verification counters as per number of exam seats at the entry point of the building and exam area.	Y
6	Exam Centers should have power backup facility in form of Power Generators and UPS connected to all the Exam Terminals with 10 Minute backup. In case UPS is not available for all the terminals, the exam should be conducted only on Generator Power.	Y
7	Exam Center should have proper arrangement for accessibility by differently abled candidates.	Y
8	At the entry point of the exam area, adequate number of male and female security personal should be appointed to control the mob and facilitate candidates during identity verification	Y
9	Should provide required number of staff for identity/document verification and capturing biometric detail of candidates.	Y
10	Exam Centre need to provide all necessary IT Manpower (@1:50 Seat) required for the conduct of the mocks /dry-runs/pilot tests 1-2 days prior to each exam without any additional charges. There shall be no charges payable for Infra Audit / Venue Compliance Checks done at the venue before actual exams scheduled for Certifying the Venue	Y

Memorandum of Understanding (MOU)

b) Exam Terminals, Servers and Network

#	Description	Compliant [Y/N]
1	Exam terminal will be desktop computers having Intel Dual Core (or AMD equivalent) Process with 2 GB RAM or better. This is the minimum configuration required. The configuration should be such that the exam interface runs smoothly for candidates.	Y
2	Terminal screens should at least 15 inch TFT Panel or 17 inch CRT Monitors	Y
3	All the exam terminals should be connected to fully working Local Area Network with static IP addresses.	Y
4	Internet Connectivity should NOT be available with exam terminals to be used by candidates.	Y
5	Exam center need to provide 10% additional nodes (of the total agreed nodes) to keep as backup to mitigate any risk anticipated due to outages free of charges	Y

c) Basic Amenities

#	Description	Compliant [Y/N]
1	Exam Center should have adequate number of separate Toilets for girls and boys and safe drinking water facility.	Y
2	Exam Centers should have open space in the premises for parking of vehicles.	Y
3	Exam Centers should have arrangements for proper light, cooling and air ventilation . Quality of such arrangements should be at par of satisfaction level of the candidates.	Y
4	The chairs provided should be push back with adjustable height, proper cushion and should be in a good condition.	Proper Wooden Chairs Available
5	The exam should have waiting area for candidates, room for the staff and briefing room	Y

d) Surveillance System

#	Description	Compliant [Y/N]
1	All the exam halls should have CCTV surveillance cameras installed in a way that activities of each candidate are captured.	Y
2	At least 2 CCTV cameras should be installed diagonally in an exam center having seating capacity of 50 Candidates. After that 1 additional CCTV Camera will be required for each additional 50 Candidates.	Y
3	CCTV camera feeds should be stored locally on the central server at least 10 FPS and 1080 P Resolution	Y
4	CCTV camera should record Exam Center activities from 30 minute before to 30 minutes after the examination.	Y

ARCEUS

Memorandum of Understanding (MOU)

5	The exam center should handover 1 copy of the CCTV camera feeds with necessary metadata in a CD/DVD within 1 hour of the examination to the AIPL representative	Y
---	---	---

e) Candidate Facilitation

#	Description	Compliant [Y/N]
1	Exam Centers should have direction signage, verification instructions, exam hall reference codes, seat numbers, etc. properly displayed at appropriate locations.	Y
2	Exam center should be clear and proper dusting of exam terminal should be performed before examination.	Y
3	If exam center is located outside the city area or any odd location in the city where there is no local conveyance facility available, the exam center should provide conveyance facility to candidates on chargeable basis. AIPL will communicate about this facility to all the concerned candidates by email and SMS. Mobile number of conveyance facility provider should also be communicated to the candidates	Convenient location If Req. We provide transport facility.
4	Exam centers should have facility to keep Candidate's electronic gadgets like Mobile etc.	Y
5	An Exam Control Room should be separate & Air condition	Y

f) Technical Specs

Facility/Software	Specification	Compliant [Y/N]
Operating System	Windows XP/Vista/7 (Windows with all Microsoft Updates/Patches/Service Packs)	Y
Browser	Internet Explorer Ver. 7 or above	Y
Antivirus	Any licensed Antivirus with latest definitions	Y
Back-up PCs	Back-up PCs - 10 % of the total seats booked	Y
Internet connection	Min 2 Mbps leased line 1:1 connectivity with static IP	Y
Generator	Adequate capacity to support for longer duration of power failures.	Y
LAN Cabling	Structured cabling with Cat 5 cables and I/O box, Network Rack with Patch Panel available	Y
Switch Type & Speed	24 Port switch with 100 mbps Note - Depend on number of computers	Y
LAN	All PCs should be in same network	Y
Printer	Laser / Inkjet Printers – 1 for every 100 Exam PCs	Y

ARCEUS

Memorandum of Understanding (MOU)

g) Documents For Legal Due Diligence (Please attach)

#	Description	Compliant [Y/N]
1	Incorporation / Registration for the Society / Trust / Firm / Institution	Institution
2	Photocopy of the establishment registration certificate	Y
3	Valid authorization letter for the signatory authorized to sign the agreement (in original)	Y
4	Copy of PAN Card	
5	Copy of a canceled cheque for NEFT transaction	

h) Manpower – Eligibility Criteria

Manpower	Eligibility	Compliant [Y/N]
Invigilation Supervisor	A senior academic / administrative staff member shall be nominated by the Exam Centre, who shall be available at the venue on Mock / Actual Exam days for escalation and support required for the smooth conduct of exams	Y
IT Manager	The nominated IT Manager need to carry minimum 5 years of experience with good understanding of the Centre IT Infrastructure & Network environment and capable to manage the entire exam event (at a technical stand point) and the IT Support/System Admin staff	Y
IT Support/System Admins	The nominated system / network administrators need to carry minimum 2 years of experience with good understanding of the Centre IT Infrastructure & Network environment and capable to trouble shoot Desktop & Network related issues	Y
Invigilator/ Test Admin	The nominated person need to carry minimum 2 years of work experience and should be on the official roles of the center	Y
Volunteer	Can be any trainee staff or even college students	Y

Memorandum of Understanding (MOU)

Annexure C: Quantitative Requirements

Manpower/Facility	Quantity	Compliant Y/N
Invigilation Supervisor	Each exam center should have one Invigilation Supervisor. If candidates are more than 500 for a center, there should be an additional supervisor for each additional 500 Candidates	Y
IT Manager	1 per exam center	Y
IT Support/System Admin	On every 150 nodes, one technical person should be appointed for troubleshooting on exam terminals.	Y
Invigilator/ Test Admin	At least one for 50 nodes	Y
Volunteer	1 per 100 nodes	Y
Electrician	1 per Exam center	Y
Security Guard	1 for every 200 nodes	Y
Support Staff / peon	1 for every 150 nodes	Y
Generator	1 per exam center	Y
CCTV	2 per 50 nodes and 1 additional per next 50 per room	Y
Printer	1 per 100 nodes	Y

Memorandum of Understanding (MOU)

2 Scope of Agreement

2.1 NSEIT Online examinations shall be conducted at the Service Provider Centre as per the terms and conditions of this Agreement on a mutually agreed date and time of the month

2.2 Service Provider will allot and make available the test rooms / labs to NSE.IT for exclusive use to NSE.IT on the scheduled exam dates.

2.3 Test venue infrastructure provided (PCs, Network Switches, Rack, Firewall, Modems, Internet bandwidth & speed, LAN, OS, AV, UPS & DG) will be audited by authorized technical engineers from NSE.IT on mutually agreed dates.

2.4 NSE.IT shall provide the audit findings report to the test venue SPOC with the details on gaps and deviations observed in the infrastructure not meeting the requirements.

2.5 That the Venue provider POC shall undertake to resolve the discrepancies notified in the audit in less than 2 working days from the date of receipt of report.

2.6 That all the changes done and resolutions provided to meet the technical requirements of the infrastructure after the audit shall remain unaltered till the completion of exams at the test venue.

2.7 That the POs will be revoked, if the audit discrepancies notified on venue infrastructure required for conduct of online exam are not resolved within 2 working days.

2.8 That the personnel assigned by the test venue SPOC for the pre-exam day activities & exam day activities need to report as per the timings mentioned in the schedule/ during training for the exams

2.9 That the test venue SPOC shall ensure the PCs allotted for the exam has the NSE.IT SBT (Secured Browser Tool) installed and the IE browser settings done as per specifications shared prior to the pre-exam day to enable conduct of venue readiness test on the pre-exam day.

2.10 That the personnel assigned by the test venue will undergo a class-room and on-job training on the pre-exam day for the various roles they handle, the schedule for the training shall be shared to the test venue SPOC.

2.11 That the test venue SPOC shall ensure the personnel assigned shall report on time for the training as per the training schedule. The authorized venue head shall also assign one back-up personnel for every two person for the training to manage contingency.

2.12 That the test venue SPOC shall ensure the entire test venue infrastructure provided for the exams are in proper working condition. If the test event is cancelled in the test venue due to failure of infrastructure, NSE.IT shall not be liable to pay any charges to venue infrastructure service provider in the event of exam being cancelled due to infrastructure failure.

2.13 Complete capacity at a venue is to be detailed in annexure with floor, lab number/ name, capacity, full address with landmark etc

2.14 For every PO, venue service provider will detail which lab is allotted to NSEIT for that exam with reference number mentioned above, details of security guard who will open the gate (including address) , SPOC name/ number (including address), Invigilator names/ their numbers, Numbers of all escalation points, etc.

2.15 Venue service provider will give LAB infrastructure in NSEIT possession one day prior to exam day for readiness checks/trial runs

2.16 Venue provider will intimate any changes in infrastructure such as venue shifting, non availability for any particular period, changes in IT infrastructure such as OS changes, internet connection changes etc atleast 60 days in advance

1.17 Venue provider will intimate any other exam or event happening at the venue at the time of accepting the PO (or subsequently as the case may be) and will ensure that there will not be any disturbance (especially marriages or other noisy functions) / changes due to those events/ exams to already allotted labs, people, entrance gates & other facility

2.18 Venue will provide buffer PC capacity (10%, 15% or 20% as the case may be and discussed mutually during PP) as a standard practice which should be connected on LAN over and above PO capacity. These are to be used in case of issues, emergencies, etc. If used for additional candidates payment will be made for the same. The buffer capacity is not be construed as back up PCs kept in a storage. These buffer capacity PCs will be also be enabled with NSEIT specific software installed

2.19 Venue provider will provide staff capable of handling any IT failures, power failures etc. causing exam reschedule. If venue provider fail to resolve the IT Infra structure/LAN problem re-exam will be conducted free of cost or payment will not be made for impacted session of exams

2.20 Venue provider will ensure that all the PCs (including buffer) offered, are on single LAN, same floor (as far as possible) & same building. Under no condition the infrastructure in the basement will be accepted accept for PWD/special candidate arrangements

2.21 Venue provider to provide additional equipment such as CCTV cameras, Biometric equipment, Bar code readers, Jammers etc. at additional cost mutually discussed on per candidate basis

2.22 If any other party is using venue infrastructure using any equipments such as mobile jammers it will be intimated to us in advance. In addition, they will ensure that it will not affect communication for NSE.IT apart from providing Landline number where NSEIT Personnels can be reached.

2.23 If multiple parties are using premises venue provider will ensure that the same staff will not be used to service them. There will be dedicated staff provided to individually agencies

2.24 Venue provider will also make VLAN available (as per requirement) by using manageable switch on hire(if agreed)

2.25 The venue provider will ensure that their assigned staff will be available at the venue atleast two hours before the start of first session exam

2.26 The venue provider will take care of staff welfare such as their commute, breakfast, lunch, tea etc. on their own. Else it may be done by NSE.IT and deducted from venue billing.

2.27 The venue provider will provide names of the invigilators (who will be manning the labs) along with their qualifications vetting to NSEIT along with confirmation of PO

Please sign this agreement as an acceptance of above-mentioned broad terms, which shall be valid for a period of 36 months from the date of signing.
