NATIONAL SERVICE SCHEME

In this digital era, teachers have very challenging task to motivate students for social work. Majority of students are not aware about the functioning of NSS units in colleges. But it is also true that NSS has become life changer for some students in India. National Service Scheme is central government program run by most of the universities in India. Under the directions of Ministry of Human Resource Development University grant Commission provides the funds to all universities in India. The aim of this scheme can be told in nutshell as "**Personality development through social service**". The scheme objectives are to generate social awareness in college students regarding the issues and problems of 'our' people. It gives the opportunities to students to work with and for the people to enrich their own lives with lot of practical experience and unending satisfaction. NSS AMGOI is actively involving in various programs of public health and would involve in social awareness programs like cashless India.
