REPORT
ON 14 DAYS
STUDENT INDUCTION PROGRAMME
FOR FIRST YEAR STUDENTS
FROM 22th November TO 3rd December 2022

[2022-23]

OBJECTIVES

The objectives of the programme are to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the students as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. The time during the Induction Program is also used to rectify some critical lacunas and sensitize them towards exploring their academic interest and activities, reducing competition and making them work for excellence, build relations between teachers and students and overall personality development.
