

## 7 Electrical Drives Lab

Sr. No	Details of Material	Quantity
1	Single/Three phase fully controlled converter	1
2	1 HP DC motor with loading arrangement speed indicator	1
3	Chopper motor controller with ¼ HP DC series motor	1
4	Chopper using power MOSFET with shunt motor,	1
5	3 phase induction slip power recover	1
6	3 phase induction controller using V/F scheme,	1
7	Chopper using power MOSFET with shunt motor	1
8	Digital noncontact type tachometer	1
<b>Total Investment</b>		<b>2,22850 /-</b>
