

8 Switchgear and Protection Lab

Sr. No	Details of Material	Quantity
1	0-60 KV transformer oil test kit	1
2	Electromechanical over current relay Kit with source unit	1
3	Directional over current relay Kit with source unit	1
4	over current microprocessor based relay testkit with source	1
5	Microprocessor based impedance relay with source	1
6	Microprocessor based Directional overcurrent relay	1
7	Electromechanical over current relay apparatus	1
8	Microprocessor based over voltage/Undervoltage relay apparatus	1
Total Investment		9,17,950/-
