

Event Name: **CODEMASTER**

Dept.of Computer Science & Engineering

Rules:

- Individual Participation
 1. Novice(FE,SE): C Programming
 2. Expert(TE, BE):Java Programming
 - Round 1: technical Aptitude Test
Round 2: Error Hunting
Round 3: Spot Program Execution
 - Staff Coordinator: Prof. D. A. Sutar (9922528899)
 - Student Coordinator: Miss. Aparna Gavali
-

Event Name: **Circuit Maker**

Dept.of Electronics & Telecommunication

Rules:

- Individual Participation
 - Round 1: Aptitude
Round 2: Circuit Design & Implementation
 - Staff Coordinator: Prof. Seema Patil (8007279949)
 - Student Coordinator:
-

Event Name: **Bridge the Gap**

Dept. of Civil Engineering

Rules:

- Max two Participants per group
 - Make a bridge to fill the gap of given span
 - Ice Creams sticks & glue will be provided
 - Staff Coordinator: Prof. P. B. Shinde(9158311344)
 - Student Coordinator: Sushant (8669596167)
-

Event Name: **CAD MASTER**

Dept. of Mechanical Engineering

Rules:

- Individual Participation
 - Round 1: Orthographic view
Round 2: Isometric view
 - Result will be based on completion of drawing, accuracy & time taken
 - Staff Coordinator: Prof. Pratik Patil (7741814181)
 - Student Coordinator: Mr. Vikas Bachate (8975951343)
-

Event Name: 5 MT

Dept. of Electrical Engineering

Most of us are aware of the common Paper Presentation conferences and competitions where in students present their research or review papers.

5 MT is quite similar to paper presentation, but with a twist.

Roles:

- 1) The students have to present their research/project/ innovative work in the form of a power point presentation consisting of just 5 slides!
- 2) Slides should contain the basic concept of the technology, methodology, calculations/assessment, conclusions and references all these on one slide each.
- 3) The entire presentation is supposed to get over in just 5 minutes.

This type of a competition has **2 advantages:**

- 1) Students learn to be precise and to the point
- 2) Saves a lot of time.

To create a **competitive atmosphere**, there can be a question and answer round after every presentation where in the questions can be asked by both: the judges as well as the audience!

Faculty Coordinator: Prof. P. L. Chavan Contact no: 7387473539
