Rakshabandhan with College Bus Drivers

- **Name of Activity:** - Rakshabandhan celebration with College Bus Drivers.
- **Objective:-** To strengthen the bond between the stakeholders of the institute.
- **Date and Time of Activity:-** Wednesday, 30th August 2023 at 1.00 pm.
- **Name of Resource Person:-** N.A.
- **Participants:-** Girl Students and Student Representatives from Social Club.
- **Details of Activity:-** Rakshabandhan is a traditional Indian festival that celebrates the bond of protection and love between brothers and sisters. It's a day when sisters tie a sacred thread (Rakhi) around their brothers' wrists as a symbol of love and protection. At AMGSI, we decided to extend this beautiful tradition to express our gratitude and respect towards our college bus drivers who ensure our safe commute to and from the college premises. On 30th August 2023, an event was organized where girl students tied Rakhis to sixteen college-bus drivers as a gesture of appreciation.

The main highlight of the event was the Rakhi tying ceremony. Girl students enthusiastically participated in this ritual, symbolizing the bond of protection with our college bus drivers. Each Rakhi was chosen with care and tied with heartfelt sentiments. In addition to the Rakhis, small gifts and tokens of appreciation were presented to the bus drivers as a symbol of their gratitude.

It served as a beautiful example of how simple traditions can be adapted to show appreciation and build strong connections within a community. We hope to continue organizing such events to foster unity and gratitude within our college community.

- **Impact of Activity:-** The Rakshabandhan event was a heartwarming occasion that brought the college community together. It not only showed girl student's appreciation for the bus drivers but also strengthened the bond between the students and the drivers. The drivers were deeply touched by this gesture and expressed their gratitude for being a part of such a thoughtful celebration.
